## Sports Administration Encourages Corporate Sponsorship for Sports to Create a Sustainable Development Environment

► The Sports Administration Holds the “Corporate Sponsorship for Sports Briefing Session” (Taipei Session)

On August 15, the Sports Administration held the "Corporate Sponsorship for Sports Briefing Session" in Taipei, inviting numerous companies as well as athletes and teams in need of sponsorship to come together. The event's aim was to help businesses better understand the tax incentives provided by the Sports Industry Development Act and to encourage private sector involvement in supporting the sustainable development of domestic sports.

A special feature of the seminar was a roundtable matchmaking session between companies and athletes, involving face-to-face communication. This interaction helped athletes communicate directly with businesses to seek resources, funding, and material support for training and competitions, reducing the pressure of preparation and fostering a better development environment.

The government continues to revise the Sports Industry Development Act, not only offering tax incentives for corporate donations to sports but also positioning it as one of the best channels for fulfilling corporate social responsibility. An amendment was recently passed allowing corporate donations to sports to be listed as operating expenses at up to 175% of the donated amount. To encourage private

sector participation in promoting public sports activities, new provisions were also added to allow businesses to deduct donations used for government-approved events aimed at promoting nationwide sports development under the Income Tax Act. These measures further will encourage corporate involvement in sports and inject more resources into the athletic development ecosystem.

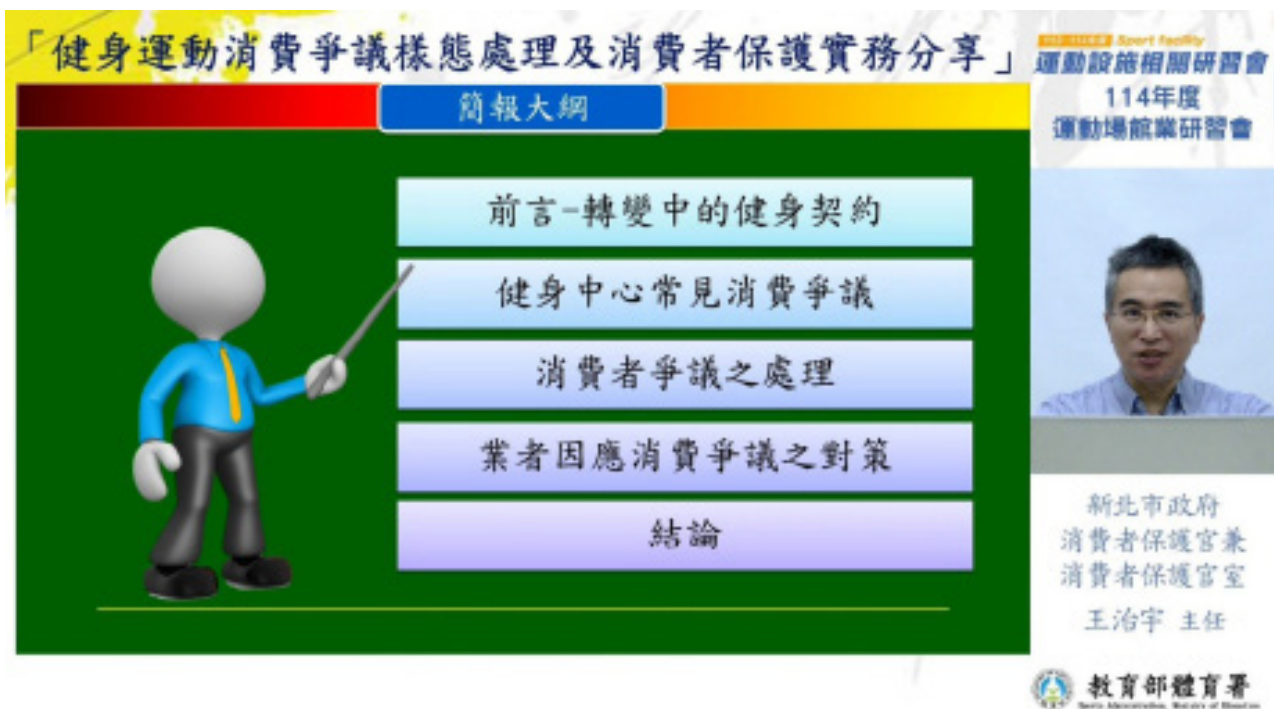

## 體育署鼓勵企業投入體育贊助資源 共創永續發展環境

體育署於 8 月 15 日舉辦「體育運動企業贊助說明會」臺北場，邀請多家企業及具贊助需求的運動選手與團隊齊聚一堂。此次活動旨在讓企業更加了解「運動產業發展條例」提供的稅賦優惠措施，並藉此推動民間企業投入助攻國內體育運動永續發展。

本次說明會特別規劃企業與選手輪桌媒合交流的環節，讓選手能與企業面對面溝通，協助有需求的選手爭取更多資源，獲得訓練與比賽所需經費及物資支持，減輕備戰壓力，營造更佳的培育環境。

政府持續修訂「運動產業發展條例」，不僅提供企業捐贈體育運動之稅賦優惠，亦使其成為落實企業社會責任的最佳管道之一。近期更通過企業捐贈體育運動最高可按捐贈金額 175% 列為營業費用；同時，為鼓勵民間企業參與推動全民運動，增列營利事業捐贈辦理經中央主管機關認可促進全民運動發展賽事，得依所得稅法規定以費用列支。此舉則進一步鼓勵企業踴躍參與體育運動，為培育環境注入更多資源。
