## Milano Cortina 2026 Winter Olympics Opened Feb. 6 CET (Feb. 7 Taiwan Time); Li Yu-Hsiang and Lin Sin-Rong Served as Flag Bearers for Taiwan's Delegation

- ▶ Male figure skater Li Yu-hsiang carried the flag during the opening ceremony in the Milan venue. As the national flag waved, the audience applauded and cheered.

The opening ceremony of the 25th Milan–Cortina 2026 Winter Olympic Games took place in the early hours of February 7, Taiwan time. This Winter Olympics is being held across four venues: Milan (Milano), Cortina (Cortina

d’Ampezzo), Valtellina, and Val di Fiemme, with simultaneous opening ceremonies at each location.

Taiwan’s national delegation was represented by figure skater Li Yu-

hsiang (Milan venue) and female bobsledder Lin Sin-rong (Cortina venue), who served as flag bearers during the parade of nations. Taiwan's delegation entered the stadium in alphabetical order under "T", holding the 81st position in the ceremony sequence.

The delegation consists of eight official quota places and nine athletes: bobsledders Lin Sin-rong, Lin Song-en, and Liang Yu-chieh (alternate); figure skater Li Yu-Hsiang; speed skater Chen Ying-chu; alpine skiers Lee Wan-yi and Troy Samuel Chang; and cross-country skiers Yu Rui and Lee Jie-han. Flag bearer figure skater Li Yu-Hsiang has trained since early childhood, often beginning practice in the early morning, dedicating more than a decade to rigorous training and gradually rising onto

the international stage. Lin Sin-rong transitioned from luge to bobsleigh, competing across Europe and North America despite limited resources, and made history as the first Taiwanese woman bobsledder to secure a Winter Olympic berth.

The Ministry of Sports stated that the Winter Olympics are not only the pinnacle of athletic competition but also a showcase of a nation's sporting prowess, teamwork, and cultural values. It expressed hope that Taiwanese athletes will embrace the Olympic spirit across the competition venues, challenge themselves with courage, and deliver steady performances. Citizens are invited to follow the competitions, cheer for the athletes, and join together in supporting the national delegation.

## Ministry of Sports Partners with Taiwan Sports Lottery to Release Public Welfare Video, Uniting the Power of Team Taiwan

- ▶ Minister of Sports Lee Yang attended the press conference for the release of the “2026 Sports Lottery Public Welfare Video”.

On February 10, the Ministry of Sports (MOS) teamed up with Taiwan Sports Lottery to hold a press conference for the release of the “2026 Sports Lottery Public Welfare Video”. Minister of Sports Lee Yang, ADATA Technology Vice President Lin Tian-qiong, Taiwan Sports Lottery General Manager Lin

Bo-tai, and several national athletes jointly witnessed the contributions of the sports lottery to Taiwan’s sporting community.

In his speech, Minister Lee stated that supporting sports does not necessarily mean being on the field.

People can also cheer for athletes from home, watch competitions on TV, or participate in sports lotteries legally. Nearly 10% of sports lottery revenue is directly reinvested in Taiwan's sports development, providing a meaningful way to help advance national sports.

In recent years, Taiwanese athletes have achieved outstanding results in international competitions—from the Hangzhou Asian Games and the Paris Olympics to the championship at the WBSC Premier12—demonstrating the core mission of the Sports Lottery. Through the steady operation of the Sports Development Fund, the country has been able to identify, train, and support athletic talent. In 2025, sports lottery sales reached NT\$70.966 billion, contributing over NT\$7.76 billion to the Sports Development Fund. These figures not only reflect broad public participation nationwide but also translate into tangible policy initiatives, including:

1. Developing athletic talent and strengthening elite training: Continuously promoting the “Golden Program”

and “Bole Program”, while implementing the “Program for Cultivating Outstanding and Promising Athletes”. From talent selection to training and retention, a systematic approach provides athletes with a solid path to the international stage.

2. Applying sports science to strengthen competitiveness: Led by the Taiwan Institute of Sports Science, the program integrates sports medicine, psychological counseling, anti-doping services, nutrition guidance, and competition intelligence to provide athletes with comprehensive professional support. Scientific data is used to optimize training and enhance athletic performance.

3. Strengthening grassroots foundations and improving training environments: Actively establishing domestic grassroots sports training centers and upgrading related facilities. Through cooperation between central and local authorities, potential athletes are identified and cultivated at the grassroots level, further strengthening the nation's overall sporting capacity.

4. Expanding event marketing to drive industry growth: Project subsidies support broadcasts of major international competitions such as the Olympics Games, Asian Games, and the World Baseball Classic (WBC), allowing citizens to cheer for national sports heroes. Domestic grassroots event broadcasts and promotional activities are also subsidized, promoting the sports industry and increasing sports-related economic value.

5. Promoting nationwide participation and sports lifestyles: To implement the core concept of “doing sports, sports spectating, and buying equipment,” the MOS has introduced the “Sports Coin” policy, with a public lottery scheduled for February 12. The initiative encourages citizens to engage in sports-related consumption while fostering a nationwide culture of sports participation.

The 2026 public welfare video expresses athletes’ heartfelt gratitude to the public and emphasizes that each sports lottery ticket is a vital driver of Taiwan’s sports development. Elite athletes featured in the video include

boxer Wu Shi-yi, badminton player Ding Yan-cheng, taekwondo athlete Huang Ying-hsuan, wheelchair tennis player Huang Chu-yin, baseball player Chiang Kun-yu, table tennis player Kao Cheng-jui, and basketball player Gao Jin-wei.

The film highlights the athletes’ training journeys—from grassroots development to the international stage—showcasing the dedication and perseverance behind their achievements. It also conveys the core value of the Sports Lottery: every ticket purchased not only engages the public with sporting events but also contributes to the Sports Development Fund, supporting a comprehensive sports ecosystem and enabling athletes to focus fully on their performance.

The MOS expressed gratitude for the long-term support of the public, noting that it has helped grassroots sports in Taiwan thrive, strengthened competitive capabilities, and allowed the spirit of Team Taiwan to continue shining on the international stage.

## 運動部攜手台灣運彩發布公益影片 凝聚 Team Taiwan 力量

運動部於 2 月 10 日攜手台灣運彩舉辦「2026 運動彩券公益形象影片」發布記者會。運動部李洋部長與威剛科技林天瓊副總經理、台灣運彩林博泰總經理及多位運動國手，共同見證運動彩券對臺灣體壇的貢獻。

李洋部長於致詞時表示，支持運動，其實不一定要站上場內，也可以在電視前看一場比賽、替選手加油、用合法的方式參與運動彩券，其中運動彩券有將近 10% 的收入，會直接回饋到台灣的運動發展，這都是幫助台灣運動繼續往前的方式。

台灣運動員近年在國際賽事表現亮眼，從杭州亞運、巴黎奧運到世界棒球 12 強賽的奪冠榮耀，背後均體現了運動彩券發行的核心使命。透過運動發展基金的穩健運作，國家得以發掘、培訓及照顧運動人才。114 年運動彩券累計銷售達 709.66 億元，挹注運動發展基金逾 77.6 億元，這些數據不僅是全民參與的成果，更轉化為實質的政策動能，包括：

1. 深耕運動人才，精進菁英培育：持續推動「黃金計畫」與「伯樂計畫」，並落實「培育優秀或具潛力運動選手計畫」。從選才、育才至留才，透過系統化培訓機制，為選手打造通往國際舞臺的堅實路徑。

2. 導入運動科學，強化競技戰力：由國家運動科學中心主導，整合運動醫學、心理諮商、禁藥防治、營養指導及賽事情報蒐集(情蒐)，提供選手全方位的專業支援，以科學化數據輔助競技表現，實現精準訓練。

3. 落實基層扎根，完善訓練環境：積極打造國內基層運動訓練站，並優化場館設施設備。透過中央與地方合作，共同發掘具潛力之基層選手，厚植國家體育實力。

4. 擴大賽事行銷，帶動產業動能：專案補助奧運、亞運、WBC 世界棒球經典賽等重大國際賽事轉播，讓國人同步為英雄喝彩。同時，亦補助國內基層賽事轉播及行銷宣導，藉由賽事媒體化帶動運動產業發展，提升運動產值。

5. 推動全民參與，實踐運動生活：為落實「做運動、看比賽、添裝備」之核心精神，運動部更推行「運動幣」政策，並將於 12 日進行公開抽籤，鼓勵國人參與運動消費，建構全民運動社會。

115 年度公益影片以「一逗逗相挺 咱是同一隊」為核心主題，表達出運動員對國人的由衷感謝，並強調每一張運動彩券都是推動臺灣運動發展的重要動力。影片特邀拳擊

選手吳詩儀、羽球選手丁彥宸、跆拳道選手黃映瑄、輪椅網球選手黃楚茵、棒球選手江坤宇、桌球選手高承睿及籃球選手高錦璋等多位菁英選手參與拍攝，透過鏡頭展現選手從基層扎根到站上國際舞臺不為人知的訓練歷程。影片傳達運動彩券核心價值：每一張運動彩券的購買，不僅是賽事參與，盈餘更是挹注運動發展基金，成為建構完善運動環境、支持選手無後顧之憂的重要動力。

運動部表示，感謝各界長期的熱心支持，讓我國基層運動得以深耕、競技實力持續精進，也讓「Team Taiwan」精神能在國際舞臺上持續綻放。

at approved partner stores. The policy aims to lower the barrier to sports-related consumption and promote the development of the sports industry.

The Lunar New Year is a joyful time for family gatherings and relaxation, as well as a key moment to adjust daily routines and welcome the

new year. The MOS invites the public to use Sports Coins to get outdoors, enjoy spring outings, and start the year with healthy habits.

The validity period for Sports Coins runs until December 31, 2026. There are no limits on the number of transactions or the total redemption amount. The coins can be used at partner businesses across three categories: doing sports, sports spectating, and buying equipment. For the buying equipment category, the maximum redemption per transaction is NT\$200, applicable to sports shoes, apparel, equipment, and consumable training items. The doing sports and sports spectating categories allow up to NT\$500 per use for sports courses, facilities, and event tickets. This flexible design enables citizens of all ages and lifestyles to choose activities that suit their needs, integrate exercise into daily life, and develop regular exercise habits.

The MOS emphasized that Sports Coins are not only a subsidy but also an important policy to guide citizens in adopting healthier lifestyles and increasing sports participation. By integrating sports facilities, competitions, and related industry resources nationwide, the program creates a convenient and accessible environment for sports consumption, making it easier for people to make exercise part of their daily lives. The MOS also reminds lottery winners to use their Sports Coins within the redemption period and participate in diverse sports activities as soon as possible.

## 2026 World Indoor Tug of War Championships Debut in Taiwan

### National Team Aims for Fourth Straight Title

► Taiwan's women's tug-of-war team participated in the 2024 World Indoor Tug of War Championships

The 2026 World Indoor Tug of War Championships will be held from March 12 to 15 at the Taipei Arena. This is the first time Taiwan has hosted a world-class international tug of war competition and represents a milestone in the development of the sport on the island. The Ministry of Sports (MOS) will support the national team's preparations

and work with the Chinese Taipei Tug of War Association to host the event to the highest international standards, showcasing Taiwan's sporting strength and event-hosting capabilities.

According to the MOS, the event will attract teams from 20 countries, with over 100 teams and more than

1,000 athletes and officials competing in Taiwan. Taipei Arena will become a major international stage for tug of war competition. Among the most anticipated participants is the Taiwan women's 500kg team. The team has achieved six consecutive gold medals at the World Games and secured a third straight title at the 2024 World Indoor Tug of War Championships, earning a reputation as an "invincible force" in international tug of war.

► Taiwan's men's tug-of-war team participated in the 2024 World Indoor Tug of War Championships

To maintain their championship momentum, all nine gold medalists from last year's World Games will re-

turn to competition. The national team began intensive training in January this year. Even during the Lunar New Year holiday, they only had a brief three-day break before resuming training, demonstrating their determination to defend their title.

In 2021, Taiwan secured the hosting rights for the World Indoor Tug of War Championships for the first time, receiving over 90% support in an online vote by member nations of the Tug of War International Federation. This reflects strong international recognition of Taiwan's tug of war prowess, and is also the fruit of Taiwan's long-term efforts in promoting competitive sports and international exchange. Last November, the international federation's representatives visited Taiwan to review preparations and offered professional advice on event organization, venue layout, and competition procedures.

The MOS emphasized that hosting a world-class tug of war event in Taiwan for the first time is highly significant. In future, Taiwan will continue to host international competitions, strengthen athletes' competitive performance, and

enhance event quality to deepen sports diplomacy. The goal is to let the world see Taiwan while giving the public an opportunity to experience the excitement and emotion of top-level interna-

tional competition up-close. Citizens are warmly invited to Taipei Arena this March to cheer on Taiwan's tug of war athletes and keep the championship trophy at home.

## 2026 世界室內拔河錦標賽首度在臺舉辦 運動部力挺代表隊主場爭取 4 連霸

2026 世界室內拔河錦標賽於 115 年 3 月 12 日至 15 日在臺北小巨蛋登場，這不僅是我國首次舉辦拔河運動的世界級國際賽事，更是臺灣拔河運動發展的重要里程碑。運動部將全力支持代表隊備戰，並攜手中華民國拔河運動協會，以最高國際規格辦理賽事，向世界展現臺灣的競技實力與辦賽能量。

運動部指出，本屆賽事吸引來自 20 個國家、逾 100 支隊伍(含公開賽)、超過 1,000 名隊職員來臺參賽，臺北小巨蛋成爲國際拔河競技的重要舞臺。其中最受矚目的，莫過於地主臺灣女子 500 公斤級代表隊，該隊不僅於世界運動會完成金牌 6 連霸，亦在 2024 年世界室內拔河錦標賽締造世錦賽 3 連霸佳績，堪稱國際拔河場上的「無敵之師」。

爲延續奪冠氣勢，114 年世界運動會奪金的 9 名成員全數續披戰袍再出發，代表隊並自 115 年 1 月起提前展開集訓，即便

在農曆年節期間，僅短暫休假 3 天即恢復訓練，展現全力備戰、捍衛主場榮耀的高度決心。

臺灣於 110 年經世界拔河總會會員國視訊投票，以超過 9 成支持票數，首度成功取得世界室內拔河錦標賽主辦權，這不僅是國際對臺灣拔河實力的高度肯定，更彰顯我國長期推動競技運動與國際交流的成果。世界拔河總會於 114 年 11 月派員來臺實地了解籌辦進度，並就賽事組織、場地配置與競賽流程提出專業建議。

運動部強調，世界級拔河賽事首度在臺灣舉辦，具有指標性意義，未來將持續透過舉辦國際賽事、強化選手競技實力與提升辦賽品質，深化運動外交，讓世界看見臺灣，也讓國人近距離感受頂尖國際競技的震撼與感動，同時歡迎全國民衆於 115 年 3 月前進小巨蛋，爲中華拔河健將加油打氣，成功將冠軍獎座留在臺灣。
