### 擴展榮耀 籌備運動部 以運動壯大臺灣

回顧113年，我國體壇充滿熱血與榮耀，2024年巴黎奧運及巴黎帕運成果亮麗，均再次向國際展現競技實力。巴黎奧運計獲得2金5銅，獎牌數為史上次佳，而巴黎帕運計獲得3銀2銅，成績為近4屆最佳（獎牌數為史上第3佳），選手們帶回獎牌及榮耀，都是真正的臺灣英雄。

此外，11月24日這天，我國在第3屆世界12強棒球賽創造歷史，不僅是我國首次於世界12強賽拿下冠軍，也是我國在一級賽事史上首次拿下冠軍，為我國寫下歷史新頁，國人皆為之感動與驕傲。

所有熱血與榮耀的背後，是由選手、教練及團隊的長期付出才能締造佳績，而政府的角色就是成為最佳後盾。自111年起至113年推動「黃金計畫2.0」有成，本署於113年7月公告備戰奧林匹克運動會黃金計畫（黃金計畫3.0），導入運動科學訓練，讓更多年輕選手加入國家培訓的行列，為2026年名古屋亞運及2028年洛杉磯奧運等國際賽事做準備。

為推展運動扎根，我們於7月17日與22縣市教育局處長簽署「校園開放宣言書」，輔導地方政府訂定校園運動場地開放規範，並補助各級學校運動場地設施設備修整建，及增設校園運動場地開放安全設備設施，逐年提升校園運動場地夜間開放比率。

本署亦持續推動優秀運動選手輔導方案，8月23日修正公布「績優身心障礙選手及其有功教練獎勵辦法」，提升選手及教練獎助金額度，其中帕運金牌選手獎助金提升為600萬元。

為推展全民運動，本署促進社區運動俱樂部及多元運動社團發展，113年度輔導特定體育團體舉辦全年齡層組別賽事，推動競技運動全民化，補助社區棒球及足球交流或賽事，更為促進公共運動空間有效利用，該年度核定補助新建及優化公共運動設施案件超過百案，以蓬勃全民運動風氣。

為推動運動產業多元發展，本署積極推動運動科技產業，除培育所需跨域人才，亦協助及輔導縣市打造運動科技場域示範亮點。為擴展運動產業規模，積極推動運動事業信用保證貸款等金融輔導措施、補助國際或重大賽事與基層賽事轉播及宣傳，更

引進民間資源投入體育運動發展，及推動運動文化記憶典藏與應用。此外，為籌設國家運動產業發展中心，本署已公布「國家運動產業發展中心設置條例」，未來以行政法人角色作為中介組織，帶動運動產業健全發展。

我們長期戮力建立臺灣品牌的國際級運動賽事，善用運動發展基金帶動民間資源投入，提升運動賽事品質，擴展賽事規模及強化國際影響力。113年積極輔導上百場國際賽事，邀請國內外講師及各國人士共襄盛舉。

為落實總統運動政見，行政院籌備成立「運動部」，歷經1年籌備、研議及規劃，融合各方建議，集結國人期待，期於114年掛牌。我身肩體育署最後一棒，珍惜「這輩子可能只有一次機會」去籌備運動部的成立。一路走來，備感榮幸也充滿感恩，感謝有產官學民先進與各界團體與協會的支持，讓我和團隊們蓄積籌備期間蹲下所產生的動能，以期運動部成立後跳躍爆發，把滿滿能量傳遞給運動部的第一棒，實現以運動壯大臺灣的願景。

## Expanding Glory: Establishing the Ministry of Sports to Strengthen Taiwan Through Athletics

Looking back on 2024, Taiwan's sports community was filled with passion and glory. Outstanding performances in both the Paris 2024 Olympic Games and the Paris 2024 Paralympic Games once again demonstrated the nation's competitive strength on the international stage. Taiwan earned a total of 2 gold and 5 bronze medals at the Paris Olympics, marking the second-highest medal count in our history. At the Paris Paralympics, our athletes won 3 silver and 2 bronze medals—our best performance in the past four editions (and the third-highest total ever). The athletes who brought back medals and honor are truly Taiwan's heroes.

In addition, on November 24, Taiwan made history by winning the championship at the 3rd WBSC Premier12. This marked not only the nation's first-ever Premier12 title, but also its first championship in any top-tier international baseball tournament. This historic milestone opened a new chapter for Taiwan's baseball legacy. The entire nation was deeply moved and proud of them.

Behind every moment of passion and glory lies the long-term dedication of athletes, coaches, and their teams, which makes outstanding achievements possible. And the government's role is to serve as their strongest support. Since 2022, the "Golden Plan 2.0" has been successfully implemented. In July 2024, the Sports Administration officially launched the "Olympic Games Golden Plan (Golden Plan 3.0)," which incorporates sports science training and encourages more young athletes to join the national training program in preparation for upcoming international competitions such as the 2026 Asian Games in Nagoya and the 2028 Olympic Games in Los Angeles.

To promote the grassroots development of sports, we signed the "Open Campus Declaration" with the the directors of education bureaus from 22 counties and cities on July 17. We have since provided guidance to local governments in establishing regulations for the opening of campus sports facilities, offered subsidies to schools at all levels for the renovation and improvement of sports facilities, as well as for the installation of safety facilities. These efforts aim to steadily increase the percentage of campus sports venues available for public use during evening hours.

The Sports Administration has also continued to promote support programs for outstanding athletes. On August 23, the Regulations for Awarding Outstanding Athletes with Disabilities and Their Meritorious Coaches were amended to increase the amount of monetary awards. Under the revised regulations, the award for a Paralympic gold medalist has been raised to 6 million NTD.

To promote nationwide sports participation, the Sports Administration has been supporting the development of community sports clubs and diverse athletic organizations. In 2024, the Administration provided guidance to designated sports organizations in organizing competitions for all age groups, to promote competitive sports. Subsidies were also granted for community baseball and football events. Furthermore, to enhance the effective use of public sports spaces, over 100 projects for the construction and improvement of public sports facilities were approved and subsidized during the year, helping to foster a vibrant culture of sports for all.

To promote the diverse development of the sports industry, the Sports Administration has actively promoted the sports technology industry. In addition to cultivating interdisciplinary talent, the Administration also assists local governments in establishing model sports technology venues. To further expand the scale of the sports industry, the Administration has actively promoted financial support measures, including credit guarantee loans for sports enterprises. It also provides subsidies for the broadcasting and promotion of both international and major sporting events as well as grassroots competitions. In addition, private resources are being introduced to support sports development, and efforts are being made to preserve and apply sports-related cultural heritage. Moreover, to establish the National Sports Industry Development Center, the Administration has announced the Act for the Establishment of the Taiwan Sports Industry Development Center. The Center will serve as an administrative legal entity and intermediary organization, driving the sound development of the sports industry.

We have long been dedicated to establishing international-level sporting events under the Taiwan brand. By effectively utilizing the Sports Development Fund to attract private participation, we have consistently improved the quality of sporting events, expanded their scale, and strengthened their international visibility. In 2024, we guided over a hundred international sporting events, inviting both domestic and international experts and participants to take part in these significant occasions.

To fulfill the President's sports policy vision, the Executive Yuan has been preparing to establish the Ministry of Sports. After a year of planning, deliberation, and coordination—gathering suggestions from all sectors and responding to the public's expectations—the Ministry is set to be officially inaugurated in 2025. As the last Director-General of the Sports Administration, I cherish what may be an once-in-a-lifetime opportunity to take part in the founding of the Ministry of Sports. Looking back on this journey, I feel both honored and deeply grateful. I would like to thank all the experts, organizations, and associations. Their contributions allowed our team to build momentum during the preparation phase—momentum that we now pass on to the new Ministry as it takes its first steps, with the shared vision of building a stronger Taiwan through sports.

A total of 157 interest subsidies were disbursed, for an actual interest subsidy amount of 1,857,997 NTD, effectively alleviating the borrowing burden in the early stages of growing a business or when funds are tight.

#### (二) 輔導運動與觀光旅遊異業合作措施

輔導直轄市及縣（市）政府盤點與整合地方觀光資源，透過規劃與行銷，以運動帶路，串連景點、產業及文化等，推展在地特色與形塑地方魅力，促使地方產業永續發展，113年核定13縣市運動觀光計畫執行。
